Join us on this extended Pacific journey, celebrating 25 years of Soren Larsen voyaging under the command of Master Tony Davies. On these voyages we seek out the hidden Pacific - the remoter places of this vast ocean that we have discovered during Soren Larsen's years sailing before the tradewinds.

A spectacular ocean passage takes us to Rapa Nui - Easter Island, an extended adventure onwards to the Bounty mutineers last refuge at Pitcairn and the rarely visited Marquises. From Tahiti we sail west on a series of voyages across the heart of Polynesia and into the untouched beauty and undisturbed culture of the islands of Vanuatu. Be part of this special expedition cruise.

NEW ZEALAND

December 2004 - Feb. 2005

The North Island coast combines spectacularly beautiful scenery with ideal sailing conditions and climate. The pristine waters that Captain James Cook first chartered 236 years ago can be explored today aboard this magnificently restored square rigger.

The Hauraki Gulf is a protected Marine Park and whales and dolphins abound in its waters. On these coastal adventures we will visit its isolated islands, hike ashore and see unique New Zealand birdlife.
